

Our PPO panels range in size from 2,000 to 6,000 dentists and dental specialists in the five boroughs and the surrounding counties (including northeast NJ). Remember, the value of a dental plan is in the discounts you get from the participating dentists.

Healthplex offers access to four PPO Panels (Metro, Liberty, PPO and PPO Plus) among which you can choose. Combining the right PPO with your plan is one of the best ways to control costs for the group while getting the best benefit for your employees.

Healthplex dentists are credentialed at the highest standards, as verified by the National Committee for Quality Assurance.¹

¹NCQA is an independent, not-for-profit organization dedicated to assessing and reporting on the quality of managed care plans, managed behavioral healthcare organizations, preferred provider organizations, new health plans, physician organizations, credentials verification organizations, disease management programs and other health-related programs.
